## **CONTACT US**

**flu360 | Support (855) 358-8966**

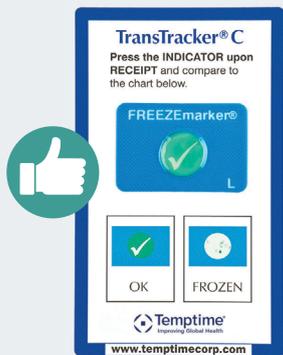

**customerservice.us@seqirus.com**

Thank you for your order!  
Please confirm that the product is OK to use.

Upon delivery, check both TransTracker® (C and F) to ensure product is OK to use.

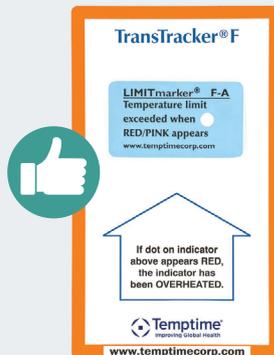

## 1 Check the TransTracker® (C)

**OK to use**

If the FREEZE marker® shows a **green dot** with a check mark, the product is **OK to use**.

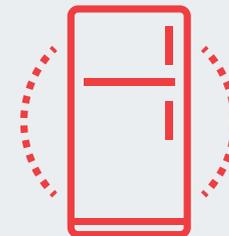

## 2 Check the TransTracker® (F)

**OK to use**

If the LIMIT marker® shows a **white dot**, the product is **OK to use**.

## 3 Refrigerate

Please refrigerate your product immediately.

Store product refrigerated at 2 °C to 8 °C (36 °F to 46 °F).<sup>1-3</sup>

Do not freeze.

Protect from light.

Do not use after expiration date.

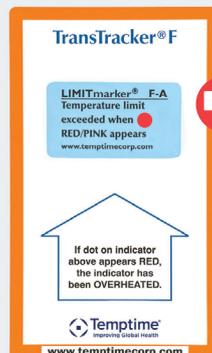

For questions or to reorder, please contact your representative or call **flu360 | Support** at **(855) 358-8966**.

**DO NOT use**

If the FREEZE marker® shows a **white dot**, the product has been exposed to low temperatures and is **not OK to use**.

**DO NOT use**

If the LIMIT marker® shows a **red or pink dot**, the product has been exposed to elevated temperatures and is **not OK to use**.

If product is **NOT OK to use, DO NOT USE**. Call **flu360 | Support** at **(855) 358-8966**.
