Thank you for your order! Please confirm that the product is OK to use.

Upon delivery, check both TransTracker® (C and F) to ensure product is OK to use.

1. **Check the TransTracker® (C)**
   - **FREEEmarker®**
     - OK to use: If the FREEEmarker® shows a **green dot** with a check mark, the product is **OK to use**.
     - DO NOT use: If the FREEEmarker® shows a **white dot**, the product has been exposed to low temperatures and is **not OK** to use.
   - **LIMITmarker®**
     - If the LIMITmarker® shows a **white dot**, the product is **OK to use**.

2. **Check the TransTracker® (F)**
   - **LIMITmarker® - F-A**
     - If the LIMITmarker® shows a **white dot**, the product has been exposed to **elevated temperatures** and is **not OK** to use.
     - If the LIMITmarker® shows a **green dot** with a check mark, the product is **OK to use**.
   - **FREEEmarker®**
     - If the FREEEmarker® shows a **white dot**, the product has been exposed to **low temperatures** and is **not OK** to use.

3. **Refrigerate**
   - Please refrigerate your product immediately.

Store product refrigerated at 2°C to 8°C (36°F to 46°F).¹⁻³

Do not freeze. 
Protect from light. 
Do not use after expiration date.

For questions or to reorder, please contact your representative or call flu360 | Support at 855-358-8966.

If product is **NOT OK** to use, **DO NOT USE**. Call flu360 | Support at 855-358-8966.
